PART I.

Notifications by the Government of His Highness the Maharaja of Mysore.

GENERAL AND REVENUE.

No. 2017—*San.* 33-11-5, *dated* 12*th September* 1911.

The following letter No. 1480—1490, dated the 16th August 1911, from the Secretary to the Government of India, Department of Education (Sanitary), to all Local Governments and Administrations, is republished for general information in continuation of Notification No. 1402—San. 33-11-3, dated the 15th August 1911:—

"In continuation of this Department letter No. 1265-1275, dated the 18th July 1911, regarding the application of the Turkish Passport Regulations to Indian pilgrims proceeding to Mecca, I am directed to say that the Government of India have been informed by the Government of Bombay that the arrangements made at the Turkish Consulate there are not working smoothly and that the pilgrims associate this unpopular tax with the British Government. The Government of India accordingly think it important that in all notifications on the subject prominence should be given to the fact that the new procedure is the work of the Turkish Government and that Officers who deal with pilgrims should explain personally to them that this is not the result of any action by the British Government: but that on the contrary that Government has made strong representations against the new procedure."

No. G. 292—*G. M.* 51-11-1, *dated* 13*th July* 1911.
